Classe :

*Durée : 35 minutes**Total des points : 20 points**Le soin apporté à la présentation (organisation, lisibilité, clarté) sera pris en compte.***Exercice 1 : (Colorier une fraction (fraction < 1).)**

... / 5 points

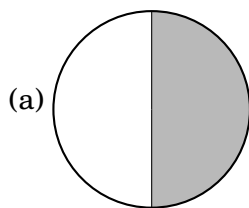

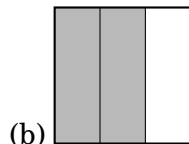

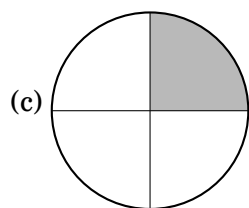

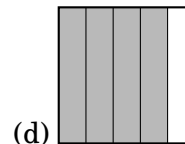

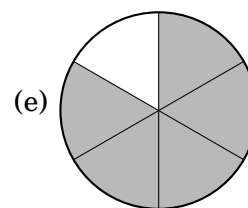

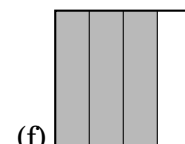

Pour chaque figure, colorie la fraction indiquée.

(a) Colorie $\frac{1}{2}$ (d) Colorie $\frac{3}{5}$ (b) Colorie $\frac{2}{3}$ (e) Colorie $\frac{5}{6}$ (c) Colorie $\frac{3}{4}$ (f) Colorie $\frac{1}{4}$ 

Exercice 2 : (Retrouver une fraction (fraction < 1).)

... / 5 points

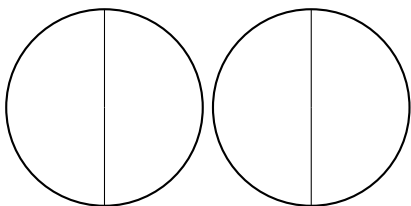

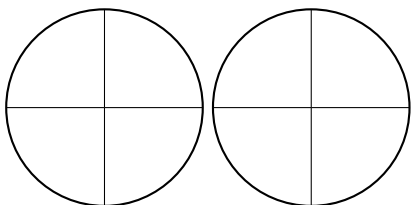

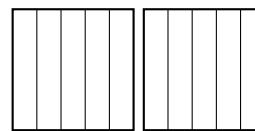

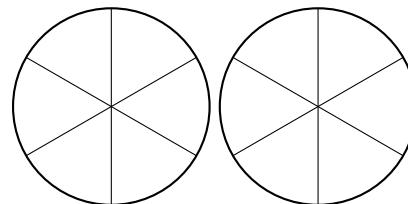

Pour chaque figure déjà coloriée, écris la fraction correspondante dans les cases.

Fraction : $\frac{\dots\dots}{\dots\dots}$ Fraction : $\frac{\dots\dots}{\dots\dots}$ Fraction : $\frac{\dots\dots}{\dots\dots}$ Fraction : $\frac{\dots\dots}{\dots\dots}$ Fraction : $\frac{\dots\dots}{\dots\dots}$ Fraction : $\frac{\dots\dots}{\dots\dots}$

Exercice 3 : (Colorier une fraction (fraction > 1).)

... / 5 points

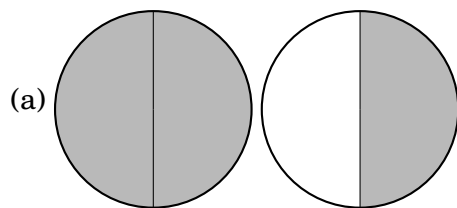

Pour chaque fraction, colorie le nombre de parts correspondant sur les figures proposées (une figure entière correspond à 1).

(a) Colorie $\frac{3}{2}$ (b) Colorie $\frac{5}{3}$ (c) Colorie $\frac{7}{4}$ (d) Colorie $\frac{8}{5}$ (e) Colorie $\frac{9}{6}$ (f) Colorie $\frac{5}{4}$ 

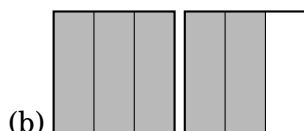

Exercice 4 : (Retrouver une fraction (fraction > 1).)

... / 5 points

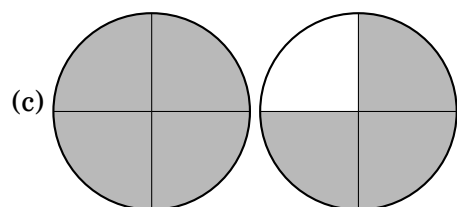

Pour chaque ensemble de figures déjà coloriées, écris la fraction correspondante dans les cases (une figure entière correspond à 1).

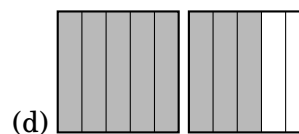

Fraction : $\frac{\dots}{\dots}$

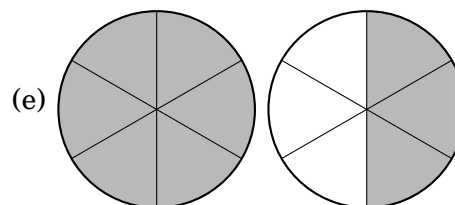

Fraction : $\frac{\dots}{\dots}$

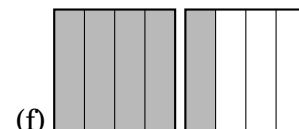

Fraction : $\frac{\dots}{\dots}$

Fraction : $\frac{\dots}{\dots}$

Fraction : $\frac{\dots}{\dots}$

Fraction : $\frac{\dots}{\dots}$
